**IN-SERVICE TRAINING COURSES AT KENYA SCHOOL OF GOVERNMENT (KSG)  
CAMPUSES**

Your attention is drawn to this Ministry's Circular letter Ref. No. DPSM/HRD/4/6/2 Vol. XXV(102) dated 1<sup>st</sup> September, 2013 in which training opportunities tenable in Kenya School of Government campuses were announced. Following applications from the Public Service, selection and placement of trainees in the institutions has been finalized. The list of successful candidates is herewith appended for your information and necessary action.

Officers selected for courses lasting not more than four (4) weeks are expected to be released to proceed for training on the dates indicated against their respective courses, while those selected for long courses are advised to await joining instructions from the respective schools at which their courses are tenable.

The selected officers should be reminded that while on training, they will be regarded as being on duty, and any misconduct and/or absenteeism will lead to disciplinary action in accordance with public service regulations. In addition, the officers should be informed that they are expected to report back to their duty stations on completion of their course.

As per the regulations, an officer travelling to attend a training course will be considered to be travelling on duty and should therefore be facilitated to travel to and from the training institution. If for any reason an officer is unable

to proceed for training, this office and that of the Head of the relevant school should be informed promptly.

All officers attending courses lasting more than four (4) weeks are required to cost-share towards their training by paying a training levy. Accounting officers are therefore requested to remit ten per cent (10%) of the officer's basic salary in lumpsum to this office and arrange to recover the same from the trainees salary in installments over the course duration.

The officers are expected to present evidence of remittance of the levy upon reporting to the institute.
